

AIA San Diego Annual Membership Meeting and Distinguished Service Awards

Tuesday, September 29, 2009 * 5:30pm-8:30pm

North Island Credit Union Corporate Office, a LEED Silver project by H2A

Per AIASD bylaws, each year a membership meeting must be hosted. While meetings are important and the business of the chapter is compelling so is having a good time! That's why we've improved our annual meeting by reformatting it as a meeting AND celebration of our distinguished members!

To be hosted in 2009, at the brand new North Island Credit Union corporate office – a LEED Silver project – the meeting will be a part of the Sustainable September month of green events. The event's theme? “Go green! Go tropical! Go to The Island!”

This party will include live entertainment, cocktails, and appetizers. An early evening of merriment will follow the board meeting – to which the entire membership is invited and the event is open to anyone in the architecture and design community.

Distinguished Service for Sustainability Award Presenting Sponsorship includes:

- **Pre-Awards** marketing opportunities:
 - Opportunity for a company representative to participate in creating the criteria for award nomination/consideration
