

LUNCHTIME LEARNING

Designing “The Building Envelope”: Discover Exterior Insulation and Finish Systems (EIFS)

an AIA San Diego Chapter CES Program 

DATE AND TIME: Wednesday, June 4th, 2008
12pm – 1:30pm

LOCATION: Cavnac & Associates
450 B Street, Suite 1800
Downtown San Diego (Enter from A Street)

SPONSORED BY: KHS&S Contractors

Upon completion of this workshop, you'll be able to:

1. Identify what Exterior Insulation and Finish Systems (EIFS) are through expert lecture.
2. Explore in a large group the fundamentals and advantages of EIFS including:
 - a. Architectural benefits
 - b. Systems approach
 - c. Design and detailing guidelines
3. Analyze and explain the challenges of the process in a large group setting.
4. Summarize the keys to a successful coordination of EIFS to recreate in a current project.
5. Discover how to save energy through EIFS with the smallest possible footprint.
